

PHASE ISSUER AGREEMENT

Template — generated by Phase Platforms

This Issuer Agreement (“Agreement”) is made by the undersigned issuer (“**Issuer**”) for the benefit of each person who purchases shares of the coin described below (each, a “**Purchaser**”).

1. The Coin

Issuer is listing “_____” (the “**Coin**”) on the Phase network. Issuer describes the basis of the Coin’s value as follows: “_____” (the “Value Thesis”).

2. Share Split

At genesis, 1,000,000 shares of the Coin are minted: _____% allocated to the public float and _____% retained by Issuer (the “Sovereign Split”).

3. Issuer Representations

Issuer represents and warrants to each Purchaser that:

- (a) **Identity & Authority.** Issuer is the person or business named below and has full authority to enter into this Agreement and to tokenize and offer the described value.
- (b) **Accuracy.** All information Issuer provided about the Coin — including identity, audience, financial, and business information — is true and complete to Issuer’s knowledge, with no material fact omitted and no misleading statement.
- (c) **Rights.** Tokenizing and offering the described value does not infringe the intellectual-property, publicity, or other rights of any third party.
- (d) **Compliance.** Issuer will comply with all applicable laws and regulations in connection with the Coin.

4. Value Sharing

Issuer intends that any future income, appreciation, royalties, or other economic value generated by the activity or asset described for this Coin will be reflected in the Coin’s share price, in proportion to the Sovereign Split, for as long as shares remain publicly held.

5. Purchaser Acknowledgments

Each Purchaser acknowledges that:

- (i) no return is guaranteed and the Coin’s value may decline, including to zero;

(ii) the Coin trades on an isolated ledger whose price moves independently of any other chain or asset on the Phase network;

(iii) this is a prototype market and the Coin is a demonstration instrument unless and until offered under applicable law with appropriate disclosures.

6. Term

This Agreement remains in effect for as long as any shares of the Coin are publicly held.

7. Governing Terms

This Agreement incorporates Phase's Onchaining Terms & Consent by reference. In the event of conflict, this Agreement controls as between Issuer and Purchasers.
